

Permission given to ECAS to use photographs taken by photographer

I, _____, as the originating photographer and copyright holder hereby grant East Cascades Audubon Society (ECAS) permission use the photograph images that I've taken and provided to them as they see fit **provided** that no substantial modifications are made to them.

Acceptable modifications include cropping, resizing, exposure adjustments, and resolution changes. Text may be superimposed on the images.

Unacceptable modifications include adding or removing objects using methods including (but not limited to) cloning, healing, and inpainting

I understand that these photographs will be used only as needed for ECAS website, newsletters and other educational purposes unless I give explicit permission for additional uses. Photos used by ECAS will be attributed appropriately to the photographer.
